Spalding® is in the game for keeps. Dedicated to the sport—to the pure passion of it—nothing but our total commitment ever hits the courts and fields of play.

No compromises. No flash. No hype. Just honest passion for pure play. Serious athletes know that nobody else is inside their game, or changing it with the newest technology available. Nobody but Spalding.

Spalding Rookie Gear® 15
Laminated Basketball Construction
A type of basketball where panels of leather or composite leather are affixed onto a rubber carcass. Laminated construction is typically associated with higher end, more durable basketballs.

1. **Bladder**
   - Inner part of the ball that holds air (maintains pressure)

2. **Windings**
   - Adds integrity and durability to the ball (keeps ball round)

3. **Carcass**
   - Provides structure for the inner components

4. **Cover**
   - Provides the grip, feel, and aesthetic appeal
**TF–1000 LEGACY**

- Exclusive composite leather cover material for advanced moisture management
- Soft carcass and deep channels for better feel and playability
- 100% nylon windings for improved structural integrity
- Rotationally balanced butyl bladder for ultimate air retention
- Laser engraving available

**TF–750 LEGACY**

- Tournament grade composite cover material gives the ball a great tackiness and grip
- Two piece sponge rubber laminated carcass allows genuine soft feel
- Extra wide concave channels for excellent channel recognition
- High density non-woven backing for great durability
- Rotationally balanced Butyl bladder
- Laser engraving available

**LASER ENGRAVED BASKETBALLS**

- Contact your local sales representative for additional information about laser engraving
TF–500

• Performance composite leather cover
• 60% nylon/40% polyester windings
• 60% butyl rubber bladder
• Laser engraving available

TF-150 Camp Series

Size 29.5"
ITEM 73-7578C

- Rubber cover material
- 100% Polyester windings
- Natural rubber bladder
- Contact your local sales rep for additional information about camp opportunities

TF–TRAINER WEIGHTED

Size 29.5"
ITEM 74-2638C

- Top grade composite leather cover material
- Weighs 2x more than a regulation ball to improve arm, wrist and finger strength for improved dribbling, passing and shooting
- Laser engraving available

TF–TRAINER OVERSIZED

Size 33"
ITEM 74-2658C

- Top grade composite leather cover material
- 12% larger than a regulation ball to improve shooting accuracy
- Laser engraving available

SIGNATURE SERIES AUTOGRAPH BALL

Size 29.5"
ITEM 74-7908C

- Composite cover
- 100% polyester windings
- Natural rubber bladder
- Laser engraving available

NBA PAD HOLDER

8.5” x 11” Orange
Item 67-801
Spalding developed and manufactured the very first American football. Each ball was made from the finest quality leather and featured rawhide lacing. Ever since A.G. Spalding’s invention, each ball was guaranteed to be “perfect in material and workmanship and correct in shape and size.”
Top grade Horween leather provides the feel, grip, tack, and aesthetic appeal.

Holds air and provides resiliency.

Spalding exclusive Spiral Balance technology for more accurate and tighter pass.

Provides improved weight consistency and playability.

Enhances overall feel of the ball and maintains a soft feel in cold conditions.

The Right Ball for Your Game!
